MSC SEAVIEW

Connecting guests with the sea like never before

The Seaside generation of ships are a brand new and innovative prototype designed to bring guests closer to the sea. Inspired by a Miami-style beach condo and designed for warmer regions discover some of the innovative design features that make this ship so unique.

KEY FACTS

154,000 GRT
Gross tonnage

323 m long

17 bars
and lounges

9 unique
dining venues

Relax and unwind in the sunshine at the **stylish top deck solarium**.

Terraced balcony cabins are another industry first, where guests will be able to unwind and relax in the sunshine on their own **private terrace overlooking the promenade** and with views out to sea.

Panoramic glass lifts at the aft of the ship provide breathtaking views of the sea.

The ship boasts one of the **highest ratios of outdoor space** in the industry, meaning that guests will never be far from a view of the ocean.

Enjoy the most **interactive waterpark** at sea with four exhilarating slides and be wowed by the **120 metre long zip line**.

A unique **360° ocean level promenade** encircles the entire ship with a tempting array of bars and restaurants so that guests can enjoy al fresco dining and drinking or take a stroll with the fresh sea air.
