MAJOR ELIMINATION
OF PARTICULATE MATTER
IN EXHAUST

Powered by **LNG**, one of the **world's cleanest marine fuels**, MSC World Europa symbolizes the beginning of a new era of cruising. Yet another example of MSC Cruises' **firm long-term environmental commitment** and **responsibility to the future**. This **unique prototype** features **a ground-breaking design**, where every detail is conceived to offer you **a taste of tomorrow**.

Be captivated by her stunning futuristic silhouette with her **signature plumb bow** and **Y-shaped aft** that opens onto an **impressive outdoor promenade** enabling incredible panoramic ocean views. Stroll along the **104-meter-long Promenade under the iconic LED dome** and dive into the vibrant life of the **authentic city of the future** abounding with choice

and excitement. Take an unexpected route down on the **longest at sea state-of-the-art architectural 11-deck dry slide** and descend swiftly from deck 20 to deck 8. Discover a world of experiences for all ages with multiple **completely districts** for adults, kids and families, each with its own atmosphere and activities.
