

MSC SEASHORE WELCOMES FIRST GUESTS FOR HER INAUGURAL VOYAGE IN THE MEDITERRANEAN

- *MSC Cruises' most innovative ship to-date brings guests closer to the sea offering with striking design features and generous outdoor spaces*
- *Guests will enjoy a wealth of new onboard experiences including the newly designed Chef's Court and a stunning new entertainment venue Le Cabaret Rouge*
 - *MSC Seashore will cruise in the Caribbean from Miami, U.S starting 20 November 2021*

Geneva, Switzerland – 9 August 2021 – *MSC Seashore* has welcomed her first guests as MSC Cruises' most innovative next-generation ship to-date became the 19th ship to join the line's fleet, becoming its newest flagship.

Embarking guests in Barcelona, Spain, Marseille, France and Genoa, Italy on Friday, Saturday and Sunday respectively, more guests will be welcomed on board the first Seaside EVO ship today in Naples, Italy as part of her inaugural seven-night western Mediterranean itinerary. *MSC Seashore* will then call Messina in Sicily, for Taormina and Mount Etna, then on to Valetta in Malta, and then Barcelona, Marseille and back to Genoa. Following her summer season in the western Mediterranean, *MSC Seashore* will complete an 18-night transatlantic Grand Voyage cruise to Miami, U.S calling along her way.

Once in Miami, *MSC Seashore* will offer seven-night cruises with two different itineraries. The first, in the West Caribbean, calls Ocho Rios in Jamaica, George Town in the Cayman Islands, Cozumel in Mexico. The second, in the East Caribbean calls San Juan in Puerto Rico, Charlotte Amalie on the island of St Thomas, Puerto Plata in the Dominican Republic. Every cruise includes a call at Ocean Cay MSC Marine Reserve, MSC Cruises' new private island in The Bahamas.

Some of the key highlights of MSC Cruises' newest flagship include:

- Next-generation **environmental technology** to minimise the ship's environmental footprint and ensuring even cleaner air emissions
- Cutting-edge **air sanitation technology, Safe Air**, developed by Fincantieri featuring UV-C lamps to eliminate viruses and bacteria to guarantee clean and safe air on board
