

FACT SHEET

Name:
Danza del Mare
(Dance of the Sea)

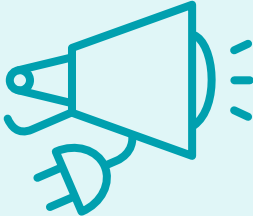

Height:
approximately 12 m
from
deck 5 to deck 8

Processing:
hand-blown

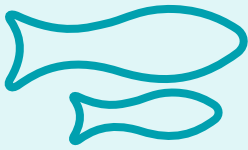

Spiral design that tapers
toward the centre,
expanding to a top diameter
of approximately 3 metres

10 vertical cables,
a spotlight that
shines upward

Every glass fish
and ball is a unique
hand-blown creation

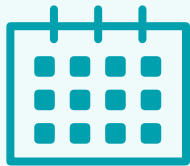

Around 190 fish of many colours – red, yellow and amethyst –
in three sizes (32, 38 and 42 cm), swimming in a spiral grouped
by colour, evoking the effervescent colours of water and the sea

Designers:
Monica Guggisberg
and Philip Baldwin

840 kg of glass

500 working days
