Terms and conditions Mandatory service charge is not included in the price. Final cabin numbers may change prior to departure date. MSC will guarantee the same or a higher cabin category if cabins are changed. Any Passenger who requires assistance or who has other special requirements (such as a disability or reduced mobility), must inform the Company at the time of booking or, at the very latest, no less than two business days before departure. This allows the Company to take whatever measures are necessary to provide the appropriate services, which must be compatible with the existing on-board facilities, equipment and services. If such information is not provided, the Company will legitimately assume that the Passenger has no special requirements. Special needs are required to be communicated to us no later than 30 days before sailing. Please complete the Special Needs Form in the section Booking Management/Special Needs and email it to booking@msccruises.se
