Covid-19 insurance

To cruise with MSC Cruises, it is mandatory * with an insurance that covers COVID-19 related risks, such as cancellation, delays, repatriation costs, quarantine, medical assistance, hospitalization and other related costs. We offer an insurance that costs between 25 EUR and 29 EUR depending on the destination and can be added directly when booking.

* If our insurance is not required, it is possible to take out another insurance provided that the above risks are covered.

Limited number of places at these prices, first come, first served. The offers apply to new bookings subject to availability. Please note that the offer only applies to you who are an agent or employee in the travel industry.

For more information about our cruises, terms and other information, visit our website www.msccruises.fi. The price includes full board, entertainment on board, taxes and lots of activities.

The offer can not be combined with other discounts.

Service fee 10 Euro pp / day, for children (2-11 years) a service fee of 5 Euro pp / day will be added.

When booking, immediate payment by card applies.

The cruise can only be booked via e-mail.

We reserve the right to make any changes and printing errors.
